**SSC** Z.P. High School, Siddarampuram, Bukkarayasamudram (Mandal), Anantapur District | 2021 | 87.67%

## TECHNICAL SKILLS

**Programming:** Basics in Python, Basics in Java

**Database:** MySQL

**Tools:** Git, GitHub, VS Code

**Professional Platform:** LinkedIn

## PROJECTS

### Chocolate Distribution Management System (CDMS) – RK Choco Distributors

- Developed a web application to manage chocolate products, customers and orders.
- Added customer registration, login, profile and order features.
- Built Spring Boot REST APIs and connected them with the React frontend and MySQL database.
