CAREER OBJECTIVE

I am a B.Tech Computer Science student interested in web development. I like learning new technologies and building useful applications. I am looking for an opportunity to improve my skills and start my career as a software developer.

EDUCATION

Qualification	Institution	Year	Result
B.Tech – CSE Final Year	Sri Venkatesa Perumal College of Engineering & Technology, Puttur, Tirupati District	2023–2027	78%
Intermediate	Swamy Vivekananda Junior College, Anantapur	2023	849 Marks
SSC	Z.P. High School, Siddarampuram, Bukkarayasamudram (Mandal), Anantapur District	2021	526 Marks

TECHNICAL SKILLS

Frontend	HTML, CSS, JavaScript, React.js
Backend	Java, Spring Boot, REST APIs
Database	MySQL
Tools	Git, GitHub, VS Code

PROJECTS

1. Chocolate Distribution Management System (CDMS) – RK Choco Distributors

Technologies: React.js, Java, Spring Boot, MySQL

- Developed a web application to manage chocolate products, customers and orders.
- Added customer registration, login, profile and order features.
- Built backend REST APIs using Spring Boot and connected them with the React frontend.
- Used MySQL to store and manage application data.

2. Weather Report – Weather Application

Technologies: React.js, Node.js, Express.js, MySQL, OpenWeather API

- Developed a web application to check current weather information for different cities.
- Added city search and current-location weather features.
- Displayed temperature, humidity, wind speed, pressure and weather conditions.
- Added favorite cities and weather forecast features.

CERTIFICATION

Virtual Internship Program – ServiceNow

ServiceNow University / SmartBridge / AICTE | Completed: May 2026

STRENGTHS

Problem Solving • Communication Skills • Teamwork • Quick Learning • Logical Thinking • Continuous Learning

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge.
